

1 And right before she left, she stood up, looked at me and
2 said, "Look, I have no health insurance."

3 And I said back to her, "You mean your husband doesn't give
4 you any health insurance?"

5 She said, "No, he doesn't pay for health insurance."

6 I said, "Well, how much do you need?"

7 And she says, "I need \$3,000 for my family's health
8 insurance."

9 So I said, "Okay. Give me some time to get it and I'll get
10 it to you."

11 Q. Okay. And did you -- at that particular meeting that you're
12 talking about, did the defendant indicate to you whether she had
13 made a decision to terminate the pregnancy or not?

14 A. No. She said she didn't know what she was going to do, that
15 she was going to get counselling on it, and she didn't know what
16 she would do.

17 Q. All right. And sometime after that did you learn that she
18 had decided in fact to have an abortion?

19 A. I did.

20 Q. All right. And after that meeting on -- we'll talk about
21 the date later -- but after that meeting -- that meeting took
22 place at Tim Sypher's condominium?

23 A. I believe -- yes.

24 Q. Okay. And we'll talk more about Mr. Sypher later. But he
25 was your equipment manager, wasn't he?
