

# FIELD OF BATTLES

To shed some light on which states and college programs really dominate recruiting, *The Mag* and ESPN.com's **RecruitingNation** combed through data from the past five years (2007-11) of **ESPNU 150** rankings (750 total prospects). We learned that Florida can officially lay claim to the title of America's football hotbed. And we also learned that February signees don't guarantee January trophies. Take a look:
