

WHENEVER PEOPLE DRIVE PAST THREE TACKLE SHOPS TO GET TO THE "GOOD ONE," WE'RE THERE.

Gas, ice, milk and eggs. That's about convenience. When it comes to fishing, we're talking about a sacred relationship. A bond between business and customer best secured with nothing less than Eagle Claw snells. They're not only the number one volume selling item in all of fishing, but the foundation of an impressive collection of leading worldwide terminal tackle brands. Each one delivering better margins and greater returns on your investment thanks to enticing, space-saving packaging designs, and lucrative programs and incentives. And for 85 years Wright & McGill has been stocking the shelves of tackle shops with brands that customers are willing to drive the extra mile for.
