Fishing Accessories

The accessories your store needs are right here.

Submersible Fish Light

Berkley

Perfect for night fishing in freshwater or saltwater, the unit's six high-intensity green LED lights attract both baitfish and predators. The unit comes with three AAA batteries, a split ring and stainless steel clip and is effective to 230 feet.

Cordless Electric Fillet System

Berkley

The electric fillet knife has a 7 1/2-inch serrated blade and a fast-charging TEC lithium-ion battery and is ergonomically designed for maximum comfort and control. It comes with a 120-volt battery charger/adaptor, foldable cutting board and nylon soft-sided carry case.

» www.berkley-fishing.com; 803-754-7000

Dehooker/Ventilator

Berkley

With new regulations requiring anglers to carry both a dehooker and a ventilator, this 2-in-1 should be a hit among saltwater anglers. It comes with a floating textured handle.

Power Inverters

Black and Decker

These products ensure that anglers have power on hand for just about anything. The Power-It 500 Watt 2-in-1 Vehicle Power Supply can power small electronics up to 100 watts or appliances up to 500 watts. The iMobile Power Inverter, which delivers 100 watts of power, plugs right into a vehicle's DC port and can recharge or power cell phones, iPods, laptops and more.

Piranha

Mister Twister

The Piranha features more torque and speed than most electric knives, in addition to having a 9-inch blade.

» www.mistertwister.com;
318-377-8818

Premium Wide-Grip Forceps

Eagle Claw

A wide grip design makes this 5 3/4-inch corrosion-resistant stainless steel tool easy to handle. The forceps lock to hold hooks or line without constant pressure, and the non-slip grip makes for easy handling even with wet or gloved hands. Also, check out the company's new premium braided-line scissors.

Gas 'N Go Wipes

Braid Products

These disposable towelettes remove odors, such as gas and diesel, and residue from skin and other surfaces. Formulated from a light skin moisturizer, and having a light vanilla scent, the towelettes are sold in packs of 10 and 30.

Electronics Lock

DuraSafe

Anglers can secure GPS units, sonars, ship-to-shore radios and other on-board electronics against theft with this unique lock system. The system allows for one key to arm multiple locks, making it one of the most convenient, cost-effective products on the market.

BOLT Hitch & Swivel Tongue Locks

DuraSafe

Use your own GM, Ford or Chrysler vehicle key for exclusive entry to these heavy-duty security locks. The BOLT (Breakthrough One-Key Lock Technology) series now comprises a complete line of trailer safety and security locks for hitch, swivel tongue, spare tire and locker bar.

» www.durasafelocks.com; 262-544-5615

Coupler & Connect System Plus Protect

DuraSafe

"Close" counts with this convenient trailer hitch coupling system. A guide wing directs the hitch to the trailer tongue for easy lineup and connection without the need for a partner. The protect bar slides in place to prevent decoupling during travel.
