Apparel

Everglades Shirt

Bimini Bay Outfitters

Featuring multiple pockets and a ventilated cape back, the Everglades Shirt is perfect for outdoor excursions. It offers a UPF of 50+, and the Huntsman Textile IQ Cool Comfort finish allows the garment to breathe while at the same time transporting moisture away from the body.

Keep your anglers comfortable and stylish with the latest in apparel and footwear.

Evair Fishing Shoe

Shimano

A 100 percent waterproof shoe designed for fishing, boating and kayaking, the Evair Fishing Shoe features an ergonomic arch design and removable inner sole. The one-piece molded EVA sole absorbs heel shock and reduces foot fatigue.

Big Bass Flex Fit Cap

Bassaholics

The newest cap comes with "Bassaholics" written across the front in words scripted by California big bass pro Mike Long and features the Bassaholics shield on the back. It's available in sizes ranging from small to large/extra-large.

» www.bassaholics.com; 949-481-3927

Big Bass T-shirt

Bassaholics

Made of 100 percent cotton, this durable tee has the company's name emblazoned on the front and "Addicted" on the back. It is available in small through XXL sizes.

» www.bassaholics.com; 949-481-3927

Reef Runner

ExOfficio

Made with a waterproof leather upper, this men's shoe features a removable "4x4 support" footbed and an EVA midsole with rubber outsole. The shoe is quick-drying and odor- and water-resistant.

» www.exofficio.com;
800-644-7303

Savvy

ExOfficio

Made with a nubuck leather upper and bamboo fabric linings, this women's shoe features the company's Ortholite removable comfort footbed, an internal EVA midsole and an outsole made from recycled rubber. Savvy is lightweight, moisture-wicking and water-, odor- and stain-resistant.

Coolmax Extreme Expedition Shirt

Royal Robbins

This shirt is made from wrinkle-resistant, lightweight fabric with UPF 40 sun protection. The fabric features special fibers that channel moisture away from the body to help keep wearers dry and a grid-type construction makes this fabric highly durable and resistant to abrasions, punctures and tears.

You Should Be Selling

Pelican

Teva

An innovative contemporary take on a boating shoe, the Pelican combines full grain waterproof leather and mesh upper, and lace-up construction for adjustability and fit. A siped rubber cupsole provides traction on wet or dry terrain.

» www.teva.com; 800-367-8382

Dry Top

Lamiglas

Known for high-performance surf rods, Lamiglas now offers a well-constructed waterproof, breathable, seam-sealed polyester outershell backed with a micro porous layer and a tricort interior.

» www.lamiglas.com;
800-325-9436

Lakeside Boat Shoe

Irish Setter

Offering a sleek profile and updated gripping outsole, the Lakeside is equally suited for outdoor activities. The EVA midsole and footbed provide superior cushioning comfort. These shoes are offered in both leather and abrasion-resistant canvas styles.

» www.irishsetterboots.com;
800-665-3369

Sunkosi 2

Teva

Proof that sequels can be better than the original, the Sunkosi has been completely redesigned not only to provide improved comfort, fit and traction, but also to dry faster and give you additional protection. Breathable mesh upper with welded TPU support structure provides support and durability. Mono-Sock upper construction prevents debris from entering the shoe.

» www.teva.com; 800-367-8382

Coldwater Jacket

Irish Setter

This packable jacket is a handy companion for the vehicle or boat. It is reversible, offers an olive shell on one side and brown fleece on the other. It also features a cowl collar, adjustable hem with shockcord and cordlock.

» 800-665-3369

Night-Light Cap

Chota

This lightweight nylon cap features four LED lamps and a “click” switch built into the bill. Two infrared LEDs preserve “night vision” while two bright white LEDs offer additional light.

» www.chotaoutdoorgear.com;
865-690-1814

RockLoc Wading Boot

Chota

Chota's most technically advanced wading boot ever, the RockLoc outsole features specially compounded “soft rubber” with built-in STL Cleat receptacles. Genuine leather uppers and the Quicklace System provide superior comfort.

» www.chotaoutdoorgear.com;
865-690-1814

Walkabout

Wolverine

Wet weather and terrain are no match for the Walkabout. The shoe's waterproof leather and mesh upper provide protection from the elements while maintaining a look that can transition easily to a day around town. A Vibram Rubber outsole provides additional stability and durability.
