

THE RULES

B.A.S.S. members are eligible for the B.A.S.S. Slam if they catch all nine members of the black bass family and meet the following requirements:

1. The fish must be caught by legal means, using a rod and reel or fly tackle and either artificial lures or natural baits.
2. The bass must be measured and meet the minimum length requirements. (NOTE: To measure length, lay the fish on a flat surface and measure from the tip of the jaw to the tip of the tail. The measuring tape must be laid flat and not follow the contour of the fish.) A photo of each bass laid flat on a measuring tape or board must be provided.

Northern largemouth: 14 inches
Spotted: 12 inches
Shoal: 12 inches

Florida largemouth: 16 inches
Smallmouth: 12 inches
Suwannee: 10 inches

Redeye: 8 inches
Guadalupe: 10 inches
Alabama spotted: 12 inches

3. A photo of each bass held by the person who caught it must be provided to *Bassmaster* Magazine. You may submit prints of your images; however, please also send a CD of all of your original, high-resolution images to be considered for publication. Suitable photos will be published in *Bassmaster*. (Please do not send photos of people without shirts or of people who are smoking.) By submitting the photos, persons in the photos are granting their permission to publish both in print and electronically. Photos become the property of B.A.S.S.
4. Photos of bass that do not appear to be alive and of the stated length will not be published.
5. The best photos of bass that are to be released alive will be shown in *Bassmaster*. Those not published may appear online at www.bassmaster.com. A witness must attest to the fish's release and to the fact that it appeared to be capable of surviving.
6. The attached questionnaire must be filled out **completely** and submitted to *Bassmaster* Magazine.

**For questions, contact the *Bassmaster* Magazine Editorial Department:
 phone: 407-566-BASS; fax: 407-566-2072; or e-mail: editorial@bassmaster.com**
