P2. 2009 ANGLER CODE OF CONDUCT:

Anglers participating in any BASS sanctioned event shall observe this code of conduct and the applicable rules for the specific event in which they are participating. Anglers shall, at all times, conduct themselves in a manner becoming professional anglers that will not reflect unfavorably on BASS, its members, officers or representatives, tournaments or sponsors.

To this end, anglers shall use their best efforts to demonstrate professionalism and integrity in support of the sport of professional fishing. Any angler who violates any of the provisions of the Angler Code of Conduct may be subject to fines, reduction of Angler of Year points, forfeiture of tournament winnings, suspension from competing in individual BASS sanctioned events, permanent ban from competition, or any combination thereof deemed appropriate by BASS.

MEDIA COMMENTS, PUBLIC ATTACKS

The favorable public reputation of BASS as a sanctioning organization in the sport of fishing, the integrity of its officials, and the reputation of its media properties are valuable assets and tangible benefits for BASS. Accordingly, it is an obligation of competitors to refrain from comments to the news media that unreasonably attack or disparage the integrity of tournaments, tournament officials, sponsors, fellow members, fellow anglers or the BASS organization. Competitors are encouraged to express themselves and have the right to question the rules officials. Responsible expressions of legitimate disagreement with BASS policies are encouraged as opposed to attacks upon the integrity of the rules or officials. However, public comments that an angler knows, or should reasonably know, will harm the reputation of BASS, BASS officials or sponsors shall be considered conduct unbecoming a professional and will result in disciplinary action.

All anglers who elect to participate in BASS sanctioned tournaments will be required to execute a Participation Agreement containing the rules and regulations, code of conduct and tournament series specific content such as wrapped boat and uniform guidelines.

P3. CONTINGENCY PROGRAMS:

Contingency programs are sponsor based programs developed to reward competitors based on a predefined set of criteria i.e. the Angler of the Year program rewards overall season performance. Participation in Contingency programs is at the anglers' discretion. Should an angler elect not to participate in a BASS' contingency program. BASS will provide a BASS brand identity decal and patch for BASS areas defined on the boat wrap and uniform, and the angler will be excluded from any benefits such as prize purse or qualification for supplemental tournament competitions associated with the respective contingency program.

P4. UNIFORMS, WRAPPED BOATS, ETC.:

Elite Series anglers will be supplied with special rules relating to wrapped boats, Tech Inspection, Fan Experience, BASS patch placement, contingency program patch placements, uniforms and any other special rules relating to those events.

Anglers are encouraged to wear their own clothing which may bear patches, logos and other signage promoting the angler's sponsors. BASS may, however, restrict the use of patches, logos, signage etc. that promote or advertise products which are, in BASS' sole judgment, in poor taste. BASS will provide as much advance notice as possible to the competitors in such instances. No tournament trail logos other than BASS properties or identity will be allowed on uniforms, rain suits, pfd's, etc. and or complete boat packages. **Pros are required to wear uniforms during all competition hours and official functions as determined by BASS.**

Official Rules of Competition

C1. The following rules shall apply to all Bassmaster Elite and Bassmaster Classic events except that (i) rules for special tournaments may differ from those contained herein and (ii) these rules may be changed by BASS immediately upon notice by BASS to its members which notice may be published on the BASS Internet site at www.espnoutdoors.com. Interpretation and enforcement of these rules shall be left exclusively to the Tournament Director or his/her designee at a tournament. In the event of a rule violation, the Tournament Director or rules committee may impose such sanctions, as deemed appropriate by them, including, without limitation, disqualification, and forfeiture of prizes, entry fee and prohibition from participation in subsequent tournaments. Subject to the appeal process set forth in paragraph 22, below, the decision of the Tournament Director, his/her designee, or the rules committee shall be final in all matters.

Elite Series Pros are required to police themselves each competition day and must sign a Rules Adherence Form. If a pro has a concern regarding his catch he should not sign off on rules adherence, weigh his fish, and consult with rules officials immediately after weigh in. Anglers who sign off to full adherence and later found guilty of a rules violation WILL BE DISQUALIFIED from the tournament. Anglers not signing official score card will not start next official competition day unless directed by tournament officials.

If an angler does not sign off on rules adherence and has a concern penalties for rules violations may include the following:

- (a) reduction of competition hours as determined by the Tournament Director
- (b) loss of one or more fish in question. All such fish must be marked and verified by either your marshal/camera operator. If not verified the entire catch may be disqualified.
- (c) loss of catch for the day of the violation
- (d) disqualification from the tournament in question
- (e) disqualification from future BASS events which may be from a specific number of events or for a specific period of time or may be a lifetime disqualification

This preserver must be strapped, snapped or zippered securely and maintained in that condition until the combustion engine is shut off. Inflatable life vest indicators should be checked daily. Violation of this rule shall be reason for disqualification. Pros must carry two Coast Guard approved chest type life preservers per boat.

(ii) Tournament officials have the right to delay, shorten or cancel the start of an official tournament day because of bad weather or other factors that would endanger the safety of the competitors. Tournament waters may also be restricted at any time because of bad weather. Weather delays on full field days resulting in half of the tournament day being lost (first flight take-off and check in) may result in cancellation. Full fields may be carried over to cut days.

(iii) BASS reserves the right to impose boat speed limits during any or all tournaments. Whether or not to impose a speed limit, the area covered by the speed limit and/or the actual speed limit imposed shall be left exclusively to the discretion of the Tournament Director.

(iv) IN THE EVENT OF AN EMERGENCY SITUATION, COMPETITORS SHOULD CALL 911 FIRST AND THEN NOTIFY TOURNAMENT OFFICIALS.

(v) COMPETITORS ARE ALLOWED TO LEAVE THE BOAT AND SEEK SAFE SHELTER IN BAD WEATHER WHERE DANGER MAY BE IMMINENT.

Any disqualification suspension from, or other disciplinary action regarding any tournament or fishing organization shall be grounds for rejecting any application for participation in a BASS tournament and/or disqualification from a BASS tournament after circumstances are reviewed by the Tournament Director.

C7. TACKLE AND EQUIPMENT:

Use of dip nets and grippers for landing bass is prohibited during tournament competition. Only artificial lures and biodegradable artificial lures may be used. No "live bait" or "prepared bait" will be permitted during official practice and competition, with the exception of pork strips or rinds. Other rigs as specified above may be in boat ready for use; however, only ONE is permitted in use at any given time. All bass must be caught live and in a conventional sporting manner. Anyone guilty of snatching or snagging visible fish will have their catch disqualified. When visually fishing a bed or for bedding bass, to be counted as a legal fish, all bass must be hooked inside the mouth and must be verified by your partner before being unhooked. Pro Competitors are allowed to share baits and tackle at all times including Pro Competitors who have been cut from competition.

C8. HORSEPOWER REGULATIONS:

MAXIMUM HORSEPOWER FOR ALL OUTBOARD MOTORBOATS USED IN OFFICIAL TOURNAMENT PRACTICE AND IN TOURNAMENT COMPETITION WILL BE 250 HP. Horsepower cannot exceed the limitations set by the U.S. Coast Guard. When required, each boat must have a U.S. Coast Guard horsepower rating plate attached to the boat by the manufacturer. The horsepower of the outboard engine must NOT exceed the rating specified on this plate nor the horsepower maximum set by BASS. Each competitor agrees to submit, by his signature on the official entry form, the boat and outboard motor used in the tournament, to an inspection by factory-trained personnel if there is any reason to suspect the horsepower is in excess of the rating. Normal maintenance of engines is allowed. Changing or altering standard factory parts of a competitor's engine to increase the horsepower over the factory horsepower rating is forbidden, and will result in disqualification. Falsifying information on entry forms or altering the horsepower-rating numbers on the engine is also cause for immediate disqualification from BASS tournaments. Posted speed limits must be observed and all boats must be operated in a safe manner.

C9. BOAT AND MOTOR (during official practice and competition):

For the safety of all competitors during official practice and competition, ALL BOATS MUST BE EQUIPPED WITH AN APPROVED TYPE OF OPERABLE IGNITION KILL SWITCH AND LANYARD. Only one manufacturer's lanyard may be used and must be attached to the driver's body any time the combustion engine is operating. Any time the combustion engine is operating and in gear there must be a driver in the driver's seat in full control of the boat. Fishing boats that are 16 feet or more in length may be used. Any raised platforms or decks cannot be higher than the gunnels of the boat. Standing on the outboard engine or seats while fishing is not allowed. An electric trolling motor may be used for slow maneuvering. However, trolling as a method of fishing is prohibited. All BLADDER tanks and any other type of AUXILIARY gas tanks that are not installed by the boat manufacturer are prohibited. Additional gas tanks that are factory options and installed by a manufacturer's authorized dealer are permitted. Boats that do not have factory-installed gas tanks are restricted to a maximum of 18 gallons of gasoline in tanks that meet U.S. Coast Guard regulations. Gas tanks must be properly secured or strapped in a boat. No portable gas tanks or containers capable of holding gasoline can be placed anywhere on the tournament waters or shoreline for use by any tournament competitor. No "barges" or similar craft will be permitted. NO BOAT EQUIPPED WITH "STICK STEERING" SHALL BE PERMITTED. "Stick steering" shall be as defined by the Tournament Director.

C10. BASIC BOAT EQUIPMENT:

During official practice and competition, every boat must have all required Coast Guard safety equipment as well as a functional bilge pump. During official competition every boat must have LIVEWELL SPACE, PROPERLY AERATED, TO ADEQUATELY MAINTAIN ALIVE A LIMIT CATCH OF BASS. BASS recommends live wells be maintained at full level and aerators/re-circulators on manual. Tournament officials shall have the sole responsibility for determining whether aeration and capacity is proper and adequate. Pros must make a back seat available for marshals each competition day.

PROS ARE REQUIRED TO MAKE ONE DRY STORAGE COMPARTMENT AVAILABLE TO MARSHALS. PROS ARE REQUIRED TO PROVIDE MARSHALS AMPLE SPACE TO ICE FOOD AND DRINK.

C11. BOAT IDENTIFICATION:

Prior to each day's start, each boat MUST be given an inspection check by a tournament official. Each day, each boat will be given a number, which MUST remain with the boat. This number must be displayed upon the request of tournament officials and at each check-in.

C12. BOAT OPERATION AND EXPENSE:

During competition Pros are allowed to fish from anywhere inside the boat. Marshalls should make every reasonable effort to not get in way of Pros when fishing. MARSHALLS ARE NOT ALLOWED TO HELP PRO IN ANY WAY. MARSHALLS ARE ALLOWED TO DRIVE BOATS ONLY IN CASES OF EMERGENCY OR WITH PERMISSION FROM TOURNAMENT OFFICIALS with exception of loading and unloading boats from trailers. All cost of boat operation is responsibility of Pro contestants.

MARSHAL OBLIGATIONS – Marshalls are required to have knowledge of BASStrak operation. BASStrak operation to be explained in tournament briefing by tournament officials. Pros and marshalls are to be honest and timely with catch and weight reports. Any pro who, in the judgment of tournament officials, advises marshalls to neglect or false report catches or weights may be penalized. Marshalls are not allowed to carry GPS systems or use cell phones during competition unless directed by tournament officials. Marshalls are allowed to carry still cameras.

C13. PERMITTED FISHING LOCATIONS:

Tournament waters shall be established by the Tournament Director for each tournament. Each competitor must obtain this information from the BASS Tournament Department. Any water within these boundaries posted "Off-Limits" or "No Fishing" by state or federal agencies as well as the live-bass-release area established by the Tournament Director will be OFF-LIMITS and will be announced at the Tournament Briefing. Only that water open to ALL public fishing will be considered tournament waters. All angling must be done from the boat. Competitors wishing to change fish habitat by placing any object in the tournament waters may do so if such action does not violate state or federal regulations.

C14. COMPETITORS MUST REMAIN IN BOAT:

During the competition days, competitors must not depart the boat to land fish or to make the boat more accessible to fishing waters. Boats must remain in tournament waters during tournament days. Competitors must leave from and return to official checkpoints by boat. Pros must remain in the boat at all times except in case of dire emergency or with permission from the Tournament Director. Exceptions spelled out in rules C5, C14, and C17. In such an emergency, or with permission from the Tournament Director, competitors may be removed from their boat to either A BOAT OPERATED BY OTHER COMPETITORS OR A RESCUE BOAT DESIGNATED BY THE TOURNAMENT DIRECTOR. Pros and Marshalls must remain together at all times, in sight of the pro's catch, under the conditions cited above, in order for the pro's catch of that day to be scored in the tournament. In the event of a needed restroom break partners are allowed to leave the boat upon which all fishing must cease until partners are back together in the boat. If a competitor violates any of the above conditions (to contact a tournament official by phone or other means or to report an emergency or breakdown), competitors must cease fishing at this point, and their catch must be verified by a tournament official in order to be counted in the tournament. If after the emergency situation is resolved by tournament officials and enough time is left for the competitor to resume fishing, a RESTART will be allowed and the competitor will continue and their catch will be counted. This applies only to dire emergency situations as determined by the Tournament Director or his designee. Towing boats on trailers during tournament hours is prohibited, except by the direction of tournament officials.

C15. OFFICIAL CHECKPOINT:

There shall be only one official check point for check-out in the morning, and one official check-in point in the afternoon, which points shall be designated at the tournament briefing. Failure to go through boat check and check-out in the morning or failure to check-in at the check-in point in the afternoon may result in disqualification. At the time of check-out, all competitors and their boats shall be in full conformity with all rules set forth by the Tournament Director. At check-in, all boats shall identify themselves by means of the numbers described in Rule C11 and proceed immediately to the designated weigh-in area. Pros and Marshalls must stay together to the weigh-in process. Once bass are bagged for weigh-in marshalls are not required to accompany their Pro through the weigh-in process.

C16. SCORING:

Tournament standings, contingency awards and final winners shall be determined by the pound-and-ounce weight of each competitor's catch during the competition days of the tournament. Only Largemouth, Smallmouth, Spotted, Redeye or Shoal bass will be weighed. The limit shall be 5 of the above species and varieties per day, unless otherwise specified by tournament officials (example – hot weather/fish care concerns). At no time shall a competitor have in his or her possession more than the tournament limit. Tournament officials will conduct checks for violation of this provision, and in the event a competitor has more than the above-described limits in possession, shall cull down to the limit described, beginning with the largest bass first. The official length for bass shall be determined by the Tournament Director and announced at the Tournament Briefing. In most cases it will be the longest state limit covering the tournament waters. Only bass as described above which measure the official length or more on the longest straight line, shall be weighed. Bass presented for weigh-in, which fail to measure the official length, shall result in a penalty of 1 pound for each such bass, which penalty shall be deducted from the total score of the competitor. Any bass that appears to have been mangled, mashed, mauled or otherwise altered will be weighed and credited only at the discretion of tournament officials. After competitors check in at the official checkpoint they MUST present all LEGAL fish in their possession to a tournament official to be counted, measured and weighed. Once a competitor's catch is measured, counted and verified by a tournament official, that competitor may not return to the boat until their catch has been weighed and recorded. Bass must not be stringered at any time during the tournament. Culling tags or clips are allowed. Specially designed bags which increase survival rate will be furnished by the Tournament Director and must be used for the weigh-in.

C17. CATCH AND RELEASE:

CULLING OF DEAD BASS IS PROHIBITED. For each legal dead bass presented to weigh-in officials, the competitor shall be penalized 8 oz per dead fish, to be deducted from their daily score. The Tournament Director or his/her designees shall have sole authority for assessing penalty points. It is suggested in warm weather tournaments anglers keep extra ice for fish care. Contestants are allowed to purchase ice on the water from a retail store. However, they are not allowed

to receive ice from non contestants. For fish care concerns, the verification table will open one hour before first flight check in time. SMALL DIP NETS FOR CULLING PURPOSES ARE ENCOURAGED. DIP NETS CANNOT BE USED FOR LANDING BASS.

C18. LATE PENALTY:

Competitors who are not at the official check in point, as described in Rule C15 at the appointed time shall be penalized at the rate of one pound per minute late to be deducted from the total weight of his/her catch that day, including any weight to be counted toward a "big bass award." Any competitor more than 15 minutes late shall lose all credit for that day's catch. There shall be no excuse for tardiness, and in no case shall a competitor be allowed to make up "lost time." After proper recognition at the check-in point, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must cease upon check-in. After the tournament begins, fishing the tournament waters is prohibited except during tournament hours. Exact starting and check-in times will be announced at the Tournament Briefing. It is the angler's responsibility to confirm check-in times each day on the daily pairings.

C19. 300 POINT SYSTEM FOR ALL BASS SERIES:

At the conclusion of the tournament points will be awarded to competitors as follows:

- 1st - 5th five point increments
 - 6th - 10th four point increments
 - 11th - 15th three point increments
 - 16th - 99th two point increments
 - 100th - balance of field, one point each until end of field or points run out
 - Bonus points – 5 per day for tournament leader
 - Must weigh a fish in the tournament to receive points for that event
 - Ties – Refer to Rule # 20 below.
- Standings will reflect ties starting at place closest to first.
- End of year point tiebreakers shall be total weights from full field days for season.

C20. TIES:

In case of a tie for first place in the Pro division at the end of the tournament, there will be a sudden-death fish-off between the tied competitors under the direction and special rules established by tournament officials. Ties for standard cuts and places below first at the end of the tournament will be resolved in the following order: (1) largest number of legal fished weighed during competition; (2) if the tie is not broken, the next tiebreaker will be the largest number of legal live fish weighed during competition; (3) if the tie is not broken, the next tiebreaker will be the individual with heaviest single day catch during competition; (4) if the tie is not broken, the next tiebreaker will be the individual with the second heaviest single day catch during competition. If the tie is not broken by applying the foregoing procedures, the tie will remain a tie. Monetary prizes for each competitor will be awarded in equal amounts. Angler of the Year points will be awarded for the place of the tied position and each competitor will be awarded equal points. In BASS ELITE Events where weights are zeroed ties for cuts going into the final round shall be broken by Angler of the Year standings following most recent concluded Elite Series Event.

C21. PAIRINGS

Pros and Marshals may be assigned to each boat. Announcement of your first-day partner shall be made at the Tournament Briefing, which MUST BE ATTENDED by pros and marshals. It shall be the responsibility of each partner to appear at a mutually agreed upon location with sufficient time remaining to check out at the official checkpoint and start on time. Tournament officials shall have no responsibility for finding missing partners. The Tournament Director, at his/her sole discretion, may reassign partners prior to the morning take-off. It is suggested that a minimum of 30 minutes is required for preparation to depart to the check-out point. When partners check out at the beginning of the day, they must stay together and within sight of each other and the pro's catch throughout the day until the pros fish are bagged for weigh-in except in case of dire emergency (see Rules C14, C15 & C17 for exceptions). A competitor must not allow any bass caught by him/her to be counted on the score of another competitor. In such a case, both competitors shall be disqualified from this tournament and from all future tournaments conducted by BASS.

C22. RULES VIOLATIONS AND APPEALS COMMITTEE:

An appeals committee will be established by BASS, which shall be comprised of one BASS employee not affiliated with the Tournament Department, and two anglers who are not competitors in the event in question. Appeals must be presented in writing seven days from the date of ruling to the Tournament Director. If competitors admit to a rules violation, they may not file an appeal of either the finding that they have violated the rules or the penalty imposed for the violation. Decisions of the appeals committee shall be final.

Appeals of non competition rulings must be presented in writing to BASS Angler Relations within 7 days of ruling for review and final decision to be determined by BASS.

C23. BASS SPONSOR BOATS:

When using BASS sponsor boats, anglers are responsible for physical care of the boat. Damage to the boat which is determined by the Tournament Director to be excessive or wanton shall result in the angler being responsible for all costs of repair.

C24. TAXES:

Where and when state laws require income taxes be paid on cash awards to non-residents, the taxes will be automatically deducted prior to the awards being presented to the winners. Participants are responsible for all applicable taxes and rules on both cash and merchandise awards.

C25. WAIVER AND RELEASE:

As a condition of participation in each tournament, each competitor and Marshal must execute a waiver and release of liability and a name and likeness release.
